MEDICATION

Medicine needs to be in the original labeled bottle, specific written instructions on how to administer included to be handed to a leader to be kept in a secure container. ***Scouts are not to self-medicate except in the case of an inhaler.***

LEAVE AT HOME

Non-essential electronics, hunting knives, toys, inappropriate items, fireworks, alcohol, valuables, etc.

BUDDY SYSTEM

For your safety:

- Everyone has a buddy
- Your buddy goes everywhere with you, and you go everywhere with him.
- Know where your buddy is at all times.

** Pocketknife can be carried if the scout has earned the Totin' Chip. But can be taken away if the knife is deemed to be used in an unsafe manner. Folding style pocket knives only. No knife larger than 5 inches is permitted. No fixed blade knives are permitted.

PARENTS - DO NOT PACK YOUR SCOUT'S GEAR!

You can help them but they need to know what they have and where it is.

They also need to know how to pack it up again when we leave.
