

Cub Scout Pack 48 - Uniform Info – Tiger Only

One of the big components of Cub Scouting is the uniform. We strongly encourage parents to buy a uniform upon joining so that their son fits right in with the other boys immediately. [Tiger](#), [Wolf](#), and [Bear](#) Cub Scouts wear the blue button down uniform shirt and [Webelos](#) Scouts wear the tan uniform shirt in preparation of entering Boy Scouts. Regardless, get a shirt sized a little larger because those little guys grow fast!

For most young boys an important part of the Cub Scouting experience is wearing the uniform. In addition to identifying the boy as belonging to the Boy Scouts, wearing it also serves the following purposes:

- The Cub Scout is reminded to live up to their motto Do Your Best, the Law of the Pack, and the Cub Scout Promise.
- It reminds the Cub Scout to behave properly.
- It reminds the boy to dress neatly and maintain a neat appearance.
- It provides a place for the Cub Scout to proudly display the awards and badges he earned.

Uniform requirements, “Class A”, are listed below for each rank. A [pack T-shirt](#) or “Class B” is given to you at Tiger registration and is highly recommended for some outdoor activities where a full “Class A” uniform would be cumbersome. If you need to purchase an additional “Class B” please contact your Committee Chair.
